YEAR 1890 MONTH December 30:

In letter from R. Von Tempsky to the Min. of Interior enclosing a communication from Mr. Chillingworth, which is attached, relative to the houses of the above party, situated on certain lots which they leased from Fong Wai and when said lots were cut up for homestead purposes, the native applicants made immediate application for same. Believes that both Japanese should have first preference to said lots and therefore would like to receive instructions relative to same. Doc. relating thereto, attached.
