DREDGING OF THE HONOLULU BAR.

Special Report.

By G. F. Allardt, Consulting Engineer.

Map.

ALLARDT, G. F. FROM MIN. INT.

INT. DEPT. Bk. 47 p. 269

1890 Dec. 18

Acknowledging receipt of his favor of the 5th inst, relative to the von Schmidt Hydraulic Dredger. Informing him that the Gov't. has decided to build the hull here & the Dept. has been waiting to hear from Mr. von Schmidt re same Mr. von Schmidt's answer came by the last mail & the Dept. is now able to write definitely on the subject. In case the Gov't. decides in favor of the von Schmidt Hydraulic Dredger he as the contractor & patentee would be the proper to superintend the installation of the machinery &c.
