

AH LEONG, ALBERT

Re to:

EX. Governors: Czrter1905 November 8

PRESIDENT'S SECY TO GOVERNOR.

Enclosing copy of a letter from the Secretary of Commerce and Labor re. the action of Immigration Inspectors in the case of the above mentioned person. States that the Governor's complaint is without foundation in fact as far as his department is concerned.

Copy attached.

1905 November 25

GOVERNOR TO PRESIDENT.

Replying to the above. His letter of Sept. 15th was not intended as a complaint so much as a statement of incidents that had come under his observation. Believes all should be treated alike.
